Vibrant and Original

A "tapestry" is a one-of-a-kind, woven piece of art. Tapestry Collection by Hilton is the ideal name for our new brand as each hotel is an original, independent property with its own style and personality that enables travelers to weave their own story. No two tapestries—or Tapestry Collection by Hilton hotels—are alike.

Independent

Tapestry Collection by Hilton caters to the increasing number of travelers who enjoy original upscale hotels. Each property within the collection is independent and will maintain that independent spirit, ensuring that guests will never experience the same thing twice.

Supported by Hilton

With Tapestry Collection by Hilton hotels, Hilton takes the guesswork out of shopping for and booking an independent hotel. The brand provides guests value, reliability and peace of mind to travel independently while enjoying the benefits earned from the award-winning Hilton HHonors loyalty program.
